FOR STUDENTS IN TECHNOLOGY

Join our community now.

A free digital campus where students learn, build, ask, share and find real opportunities together.

LEARN · CREATE · CONNECT · DISCOVER · GROW

EVERYTHING IN THE COMMUNITY

Twelve reasons to join today.

01 Student Lounge
Talk tech, share discoveries, celebrate wins.

02 Ask the Community
Ask questions, get answers, upvote what helps.

03 Project Showcase
Show your websites, apps, designs and robots.

04 Daily & weekly challenges
One question a day with explanations.

05 XP & badges
Earn them by learning, not by spamming.

06 Opportunities hub
Verified free certifications, internships, programmes.

07 Events calendar
Workshops, webinars and hackathons.

08 OMT Discover
A new tool, skill, project idea and story every day.

09 Tools directory
42 tools with honest Free / Freemium labels.

10 1,243-title library
Reading lists from GCSE to university.

11 OMT AI study buddy
Explains anything, quizzes you, checks code.

12 My Space
Your profile, progress, saved posts and events.

MADE FOR EVERY LEVEL

Start where you are.

GCSE · A level · BTEC · T Level · University · Apprenticeship · Self-taught

- ✓ Programming, networking, cybersecurity, AI, design and more
- ✓ Free reading lists and developer classics

SAFE BY DESIGN

A community you can trust.

- ✓ Only your username is shown, never your email
- ✓ Posts checked by moderators
- ✓ Report and block in one tap
- ✓ Public profile only if you want one
- ✓ No ads. Official sources only.

Free for students. Join in a minute.

Create your account, pick your interests, start learning.
